Summary: What if Arendelle was actually Berk? (Just an idea, read please)

Plot Twist!

Guys! Me and my friend were thinking what if
Arendelle was actually Berk, but in modern
times, and Hiccup and Astrid became King and
Queen of Berk. Berk got it's name changed to
Arendelle. Hiccup and Astrid had given birth
to Princess Elsa, who was born with weird ice
powers, who also had her mother's eyes. Then a
year or two after that, King Hiccup and Queen
Astrid had Princess Anna. She had the mixture
of her parents hair and her mother's blue eyes.
Not long after baby Anna was born, Hiccup and
Astrid died of a horrible unknown disease. Elsa
and Anna were put up for adoption. Elsa
remembered everything, while Anna remembered,
nothing. Elsa wanted to keep it a secret from
her baby sister, so she did.
